

Special Terms and Conditions (STC) Digital Guest Card

The data provided by the user for his guest card, the benefits redeemed with the guest card and other data from the INSIDE LAAX App can be viewed and processed by Flims Laax Falera Management AG, the Weisse Arena Group and its subsidiaries as well as Inside Labs.

Flims Laax Falera Management AG, the Weisse Arena Group and their subsidiaries may use the data for their own commercial purposes. In case of owners and tenants of holiday apartments, the respective municipality in which the user's property is located has the right to check the data provided for the guest card registration and to compare it with their own data.

Furthermore, we comply with all requirements of the data protection legislation.

The registration is voluntary and the users can revoke the use of their data at any time by sending an e-mail to feedback@laax.com.
